Parents will be notified of any issues.

To avoid any misunderstandings, MCC is in no way promoting or stating that our staff personnel are licensed educators, computer technicians, or any other professional. Our staff personnel are simply here to assist your child during their "school day" and to provide child care which includes supervision, direction, and enrichment activities in a safe, nurturing environment.

Children will be on different daily schedules from their peers based on their respective school and/or teacher. Breaks for recess, lunch, and dismissal times will vary. However, children will be supervised, monitored, and kept busy throughout their day at MCC.
