CREATIVE CODING with Scratch JR

Coding is the new literacy. Using Scratch JR, children can learn to think creatively and reason systematically while creating their own interactive stories and games. They can learn how to create and express themselves, develop sequencing skills, and use math and language in a meaningful and motivating context. With Scratch JR children aren't just learning to code, they are coding to learn. SO MUCH FUN!

SCRATCH JR.
INTRODUCTION TO CODING
Liholiho Elementary
Gr 2-6
THURSDAY 9/15-12/8/22
(10 sessions) 45 minutes

2:30-3:15pm

https://my.bricks4kidznow.com/profile.php?id=98005&selected_schedule=1862765

3:30-4:15pm

https://my.bricks4kidznow.com/profile.php?id=98005&selected_schedule=1862779
